

JULY 2026 MEETING MINUTES

Date: Monday, July 13, 2026

Financials

- Tracking pretty evenly between income and expenses, especially with some added expenses this year vs. last - with gear and travel, for example. All still looks good.

Membership Update

- No major changes in membership in the last few weeks.
- As discussed, July Happy Hour pushed back a week to July 23 at The Brigg.

Communications

- Jette will be on PTO from July 27 to Aug 8, so any newsletter additions need to be in by the prior Sunday to get them added (exceptions are any race shout outs)

Gear update

- Getting designs from Phillip for the board vests.

Partnerships update

- Looking into dates for the Georgetown Block Party in case we'd like to host later in the fall. In the meantime, checking with the bike shops if Labor Day weekend is good.
- Loco Tri would like to wind down the bike discounts due to a lack of volume. Checking to see if we can still maintain the gear and clothing discounts since those seem to be doing well.
- Marc will be meeting with Mike from Rudy Project and Melissa from Ironman at Lake Placid.

Upcoming events

- WABA ride for protecting Hains Point is on Sat July 18 if anyone is interested in joining. Not sure if we can get a group but we have helped to share in the newsletter.
- Bricknic #2 in Rock Creek Park is on-track. Rose PT will be joining to provide free injury screenings / PT.

Next Meeting: August 10
